“Many thanks to Roman for excellent DJ services. He was fabulous - he made sure he had all the information he needed from us in terms of timing and details, he worked with us last minute to ensure that the music for our first dance was perfect, and he read the crowd like an expert. We had a great night with everyone on the dance floor, in a large part thanks to Roman!”

“I have nothing negative to say regarding maximum DJ. All the contrary... I LOVED IT! And I would use your service again and again and again!! What else can I say... I already recommended you to people who are looking for their wedding music. You have earned a new loyal client in us - for sure! Even the customer service was amazing... I started chatting with you guys 7 months earlier, and even though I may have sent millions of emails and questions, you were always so nice and fun to talk with.”

Christina & Sean Wedding at McLean House on September 5, 2015

“Our day was perfect from start to finish - but two people made it especially amazing, our photographer AND our DJ. We loved him, guests loved him - music was perfect, he read the crowd perfectly - AND, he was SO incredibly attentive to me (checking in with me, just enough all evening long). He was professional (in dress and behavior) - so, if we had another event in the future, you'd be my first call. We will happily provide a reference, should you ever need one. We will recommend you to friends.”
