

DJ John Britton...

“We literally could not have asked for better service/quality/experience from everyone involved with maximum. From Sue to Rod to last but certainly not least, John, who was amazing, we have nothing but good things to say. We really could not suggest anything to improve as far as the major details go. Everyone involved was a pleasure to work with, and we were extremely happy with your services. Thank You!”

“Both Pete and I had a great day - and were thoroughly happy with the DJ services John provided! On the day of, John had already arrived, and had music playing before I even realized he was there - throughout the whole evening he was easily able to gauge the mood of the crowd, and kept our dance floor full all night!”

"The DJ was great in terms of working with the MC to start and stop music and with his cues - I was really happy about that. The music selection that I heard was good too - all of our guests had a good time. I had a lot of guests tell me that they liked the dinner music and the dancing music. And John was really nice and great to work with!"
