“We were really happy with everything for the wedding! Nigel was great! He gave us some suggestions on the first dance, & timing for the speeches which was very appreciated & kept things running smoothly. He was also able to easily accommodate our last minute requests. Best of all, the dance floor was busy the whole night & everyone had a great time.”

Trina & Donato’s Wedding at The Old Mill Inn on May 20th, 2017

“Nigel was fantastic. The dance floor didn't stop all night! He played a lot of our love list and grouped them perfectly. I know there was some Aussie songs he would never have heard before which can be challenging but he timed them great and all the Aussies were up and dancing. Everyone has commented how great the dance floor and music was and all had a blast. We would definitely recommend Nigel and Maximum Music.”

Paula and Nathan Wedding at Toronto Hunt Club on July 23rd, 2016

“We have nothing but praise for everyone who we dealt with at Maximum Music. Suzanne and Rod were excellent at putting together all of the details for us. Nigel was an outstanding DJ. He played all of our special songs right on cue and was great at reading the crowd during the dancing portion of the evening. Several people came up to us and remarked on the quality of the DJing, and if that isn't evidence enough, we had a sizeable group who stayed on the dance floor until the very last song. We will be recommending Maximum Music (and Nigel!) to all of our friends.”

“Thank you for the email and thank you for the great DJ! Honestly Taylor and I only have good things to say about Nigel! He was fun and very cooperative with our crowd and our MC. Nigel did an AMAZING job at keeping the dance floor packed. Nigel did a wonderful job mixing in the Iranian music we had selected for him to play, I think my family really appreciated hearing as much Persian music as they did!”

**“I love love LOVE to dance and our DJ listened to my every request. He also worked very well with our musician and wedding officiant to know when exactly we were relying on him to fill the blanks.
Great experience and we will definitely recommend you to family and friends.”**

“We're finally settled in after the wedding and we wanted to thank you for all the help and support for making our wedding a success. You were very responsive, organized, accommodative, honest and pleasing to work with which made our music planning so much easier. Our guests were very happy with the music and I received many compliments from our GM and MCs with regards to DJ Nigel. He was able to choose very nice and fitting game music on the spot even though we did not request for anything specific. We wish you all the best and we will definitely recommend your company to all our friends.”

Shannon & Matt wedding at Geraldo's on July 7, 2014

“We want to say a huge thank you to you and to especially our DJ Nigel. He was awesome! Nigel was very attentive to myself and the groom, to all the guests in the room, and to exactly what was happening. We could not have asked for a DJ who was more in-tune with the vibe and actively working to make it as wonderful as possible all evening. Nigel coordinated the grand entrance with my husband via text (which was genius), gave the kissing game and extra boost, and had all my favourite songs ready to go for when we kicked up the party.

You provided everything that I was looking for without a hitch! The coordination process upfront was perfect and it was all delivered perfectly during our wedding. I would recommend your service in a heartbeat! Thanks again for making things and wonderful and easy. :)”
