

## **DJ Lee MacDonald...**

**“We wanted to let you know that we were so happy with Lee and the music that he played at the wedding! He really was able to feel the vibe of the room and play the appropriate music. He followed the instructions in our survey perfectly, and accepted some requests, which were appropriate for the moments, and everyone was dancing up a storm! All our late-night guests commented on how great the music selection was. Everything was taken care of so smoothly. Thank you!”**

Kasey & Nate wedding at Berkeley Church on May 30, 2015

**"I had a great time at my wedding this weekend thanks to the organization of Maximum Music DJ service and Lee our DJ. It was a great experience start to finish. Before the event Maximum Music took the time to get to know what type of music I was looking for and get information about the timeline. On the day of our DJ Lee was perfect! He coordinated everything, was there to step in at any point if need be. The music he played was from a list of songs we loved and other songs that were played fit in perfectly. All in all I would recommend them to a friend!"**
