

DJ Liam Gerussi...

“We had a great experience with Liam at our wedding, all our guests commented on how great the music selection was. I actually tried to pull her away for a few minutes to do something but she couldn't leave the dance floor due to the amazing songs being played.

Liam was very responsive to everything we needed and was quick to make last minute adjustments like speeding up time between speeches and helping MC the wedding game and events. we had no issues and Maximum Music provided an amazing service for our wedding and we would definitely recommend them in the future.”

Yulia & Scott's Wedding at King Valley Golf & Country Club on July 15th, 2017

“I can't begin to say how impressed Michelle and I were with your team. From the booking, first meeting, planning, and execution, it was perfect! We were extremely impressed with the communication we had with Sue in the earlier planning stages.

We were thrilled to have Liam and his wife provide us with the DJ services we required on our big day. They both executed the plan to perfection. Liam did an excellent job at reading the crowd and keeping our guests dancing long into the night. He was professional, up beat, yet not over the top. All in all, I am very satisfied with maximum DJ and the incredible duo of Liam and his wife. Special thanks to you and your team!”

Nelia - Private Birthday Party at Rosewater Room on May 5th, 2017

“Liam was absolutely the perfect fit. He was so kind, and flexible. He understood exactly what we wanted and we just gelled so well together. He kept everyone on the dance floor all night, and had such a good mix of music, that we even had the parents and aunts up there!

Let me start by saying that I hate 98% of DJs out there. As a former weekly or twice weekly bar-star and having been involved in probably 25 weddings, I have seen many DJs in my time. And I can say that Liam is hands down the best DJ I've ever interacted with. He truly is what everyone should be aspiring to. So kind, so professional, and it was clear his main goal was making us happy and giving us the night that we wanted.

I was really apprehensive about not meeting the DJ beforehand, but the detail and work that you guys do with your forms really paid off. Also, Rod, I appreciated the call the week of to go over all of the minute details and final touches. Getting the right version of the Waltz of the Flowers was greatly appreciated. Jen and her dad absolutely nailed it. Thanks again!”

Jennifer & Leo's Wedding at the Rosewater Room on April 1st, 2017

“Liam did a fantastic job. He was friendly, professional and very accommodating. We had a lot going on at the wedding and he was able to adjust seamlessly. Plus he was just a really great guy. We were very happy that he was part of our big day. A big thank you to Rod and Sue as well. Both were extremely helpful leading up to our wedding day. Everything was so organized and they kept us on track. It was especially nice that Rod took the time to swing by the event to see if everything was running smoothly. We would not hesitate to recommend Maximum Music to anyone.”

PPI Financial 2016 Staff Party at InterContinental Toronto Hotel on Jan 16, 2016

“Though it took a few people to handle my request and forms (just that time of year), once I was connected to Liam (who, incidentally enough, was the awesome Starbucks manager of my building and with whom I'd worked before on a different event), I felt completely heard, understood and catered to. And that's exactly what he did. Liam catered to me and my group's needs (as Rod said he would ;-).

Liam played most (if not all) of my special requests, at the right time, and with the right flow. Great transitioning too.

He coordinated the musical entertainment of my luncheon with the violinist/harpist we also hired. They made a cute, lively, fun team.

Liam was professional, on time, easy-going, and stylish. (love the new hair, Liam!). His set up was flawless (what I saw of it) and he did exactly what I hoped he would: he set the mood without anyone realizing it. Plus he made me so happy... and got my coworkers to move!

Thank you again Liam... and thank you MaximumDj for not only having Liam on board... but matching him to our group.”

Shannon & Will Wedding at Hotel Ocho on December 31, 2015

“Liam was our DJ for the night and did an absolutely fantastic job throughout the entire evening. He was extremely kind, approachable, laid back and easy going. He had a genuine smile on his face the whole note and was very kind and patient with us and our wedding guests. With total ease he fully integrated his dj'ing with our MCs and was extremely accommodating of any of our requests! He fit in so well you would have thought that he was one of the wedding guests (in fact, most people thought he was). He played all the music we had previously requested and with great timing. He did a great job facilitating the evening including dances, guarder toss etc. We even had wedding guests (both young and old) come up to us stating how great the music was. The dance floor was live all night because of this. I actually had one of our groomsmen's dads state that our DJ and the music was the best he has ever experienced in all of the weddings he has attended over the years!”
