

DJ Dana Nicholes...

"We were very happy with Dana and think he did a wonderful job! We were completely disorganized and things were crazy and he was able to manage our crowd and all the different nationalities. He did an amazing job and we cant thank him and Maximum enough."

Olga & Joes's Wedding at King Valley Golf & Country Club on July 29th, 2017

We really enjoyed having Dana as our DJ and loved his energy and enthusiasm. He really kept the energy going throughout the evening and kept our guests engaged in the activities planned. We had a great DJ and everyone had a great evening.

Thank you again!

Floren & Doug's Wedding at The Old Mill Inn on June 17th, 2017

"Just writing to let you know how professional and entertaining Dana was. The ambiance for the cocktails was great, he handled the brief introduction perfectly, worked seamlessly with our MC, was quick to adjust the sound pick-up or play a relevant song for the different speeches. The First Dance went off without a hitch and he timed inviting the people onto the floor perfectly. The guests really enjoyed his responsiveness and flexibility, and even though the crowd wasn't really the dancing type he kept the atmosphere alive."

Michelle & Robert's Wedding at Credit Valley Golf & Country Club on May 19th, 2017

"My husband and I cannot stop talking about how impressed we were with the DJ service that was provided right from the beginning to end. I also enjoyed speaking to Rod personally on the phone prior to the wedding day. He was so kind and helpful, and really made the process so much fun. Dana was outstanding! He knew exactly what to do, and made the night go by so smoothly as our MC. Dana knew exactly what to say and how much to say (and has a fantastic voice). It felt like he was just part of the family. The fact that he danced along with the music and enjoyed himself really helped others do the same. Thank you for your commitment to providing such outstanding service."

Tiana & Joe Wedding at Graydon Hall Manor on March 11th, 2017

“As usual Dana was fantastic. Our company absolutely adore him and he actually fits right in with all of our employees. We always have him join us for dinner and now I have requests from other employees to join my table because of Dana who keeps us all laughing plus he remembers a lot of the employees and actually asks about their trips, family etc. He certainly makes everyone feel special.”

Radiation Solutions Inc 2016 Holiday party at Glenerin Inn on December 3rd, 2016

"Dana was well suited to our event. More mature and he read the crowd well rather than some kid playing Bruno Mars all night long. He was professional he listened well to my ideas and anticipated/responded well to the flow of the ceremony. In a similar fashion Dana seemed to pop up at the right time when something needed to be announced, seemed confident, smooth and experienced and otherwise let the party and bride be the center of attention.”

Preeka and Wayne wedding at Glenerin Inn on October 21st, 2016

“We were so thrilled with the job Maximum DJ did! Dana did an amazing job on the day and we honestly received so many compliments on him from our guests. In his DJ corner he was enjoying every song he put on and that got the crowd into it. There were no complaints on the music played and he played all the requests we had laid out ahead of time. It was a perfect wedding and Dana did an amazing job!”

Laura & Conor Wedding at Berkeley Field House on September 24th, 2016

“I cannot say enough about the experience we had! Our DJ was fantastic. He was very outgoing; taking on the MC role as if he were our own uncle! He kept the crowd alive with his energy and his playlist had people (of all ages) dancing that I would have never thought would get up and dance and have such a great time!”

Jenny and Ryan wedding at The Old Mill Inn on August 6th, 2016

“We would both like to thank you all at Maximum Music for making our wedding a most memorable and fantastic experience. From the early set up with Allison over the phone to the AMAZING service that Dana provided us on our actual

wedding day. We could not possibly be happier in our choice of hiring your company. Thank-you Dana for providing our guests with a night of dancing they will never forget. From your friendly attitude, ability to mix music and your amazing dance moves :). I truly was amazed at the level of professionalism and at the same time the level of fun that we encountered on our special day. I can see why you have been in the business for so long. You have no idea how grateful we are, and will always be :)

Justin & Lincoln Wedding at White Castle Banquet Hall on July 15th, 2016

“Dana was fantastic on our wedding day! Maximum was fantastic from start to finish!! Allison was s quick to respond to any email and this was s helpful! The online information was super easy and made us feel confident that we were going to hear the music that we wanted versus what the DJ wanted to play. People were on the dance floor ALL night and this was our main goal of the evening! Maximum was the only thing that I felt 100 percent confident about leading up to the wedding day and that was s refreshing!!! We couldn't have asked for a better experience!”

Amanda and Clancy Wedding at Graydon Hall Manor on June 17th, 2016

“Warren and I were very happy with Dana and his DJ services! The entire team has been a pleasure from start to finish (Allison on the emails and general correspondences, and Rod with his final touches). Very professional and flexible to our request. What was key was that weddings have so much spontaneity that isn't expected from toasts to a few spoken words. It was all taken care of beautifully and discreetly when the kids were getting wild with the dice! :) We are beyond happy with Maximum DJ. Our guests were impressed by the large repertoire of music and the suggestions that Dana had offered during our day. Thank you so much! We especially loved the Vitamin String Quartet music that was playing before the ceremony! It was more than great and we were so happy that you guys were a part of our day. I have no feedback other than to keep doing what you're doing!”

Elizabeth & Warren Wedding at Shangri-La Banquet Hall and Convention Centre on May 28th, 2016

“Just wanted to send a quick note to thank you so very much for such a spectacular job Dana did on our wedding day. Most people thought he was a member of our family! He was, by far, the best DJ we've ever experienced and our day would not have been the same without him. We are so grateful to have worked with Dana and your team! Thank you so much for all of your efforts- we most definitely had the time of our lives and hope Dana enjoyed his evening with us as well.

Paula and I cannot say enough about how wonderful Dana was as our DJ at our wedding. He was outstanding, and all night long we had guests mention to us how talented he was. I just wanted to say thank you! The whole planning process with you and Suzanne went really well leading up to our wedding. I loved the online planning form - it covered everything! “All I can say is Maximum DJ made our lives so much easier. Allison and Rod were incredibly responsive and helpful during the planning process. Sylvia and Stan wedding at Arcadian Court on August 15, 2015

“We just wanted to say a huge **THANK YOU!!! to Maximum DJ. Sue, you have been so helpful throughout the planning process with answering any questions we had and letting**

us know what needed to be done and when. Rod, thank you for going over the finer details with us a couple days before the wedding. The online form made it so easy and convenient to select/change our song selections.

Dana was beyond amazing and somehow just knew what music to play at any given time and our guests loved him! As MC, he made the evening run so smoothly and a lot of our guests complimented on his "announcer voice"! He was the perfect DJ fit for our wedding! Please let him know that even though we were on the dance floor for only a little bit that night, we were dancing our butts off wherever we were in the manor! I somehow ended up dancing on the patio outside :)

We can't thank your team enough for making our wedding evening so perfect!"

Monica & Mike Wedding at Graydon Hall Manor on August 2, 2015

"Dana was truly outstanding. He was the perfect combination of animated and tasteful; fun and professional; confident and deliberate. He nailed the ambiance throughout the evening, and was terrific with those bits particular to our wedding - eg introductions, first dances, etc. The best man had a last minute idea that required Dana's participation and Dana was more than willing to engage and adapt. He came so prepared and provided something for everyone. My 86 year-old grandmother was on the dance floor right up to the last dance and had a wonderful time.

So thank you all for helping to make our wedding so unforgettable. Truly memories we'll cherish the rest of our lives."

Neda & Michael wedding at The Old Mill Inn on October 18, 2014

“The whole process really went quite smoothly for us. The booking/planning process with you guys was really easy, and the online music forms were very helpful (especially the "hate it" selections which helped us to avoid some of the more cheesy wedding songs!). The music at the wedding was excellent and flowed really well - I was impressed by the number of people on the dance floor at most times despite it being a Sunday wedding. Dana did a great job as the MC as well.

Thanks again for everything and for helping to make our wedding a great success :)”

Angie & Dustin wedding at The Old Mill on September 21, 2014
