His MC-ing was just what we wanted, the cocktail and dinner music was great, and he knew exactly what to do to keep our party going. We wanted to thank you for all your help in making this possible for us - the whole experience was incredibly smooth, and you guys made it so easy, so thank you.”**

Johnny was attentive to how the party was doing and he picked up on my signals to go to the next song etc. which I was very grateful for. He asked us for any last minute requests at the last 2 hours and also at the last two songs. I also liked him making effort to be on the same page as our MC before the reception started. “I wanted to send you a quick note to tell you how happy Russell and I were with DJ Johnny on Saturday. He was AWESOME and everyone had a blast! We were running behind schedule (as I’m sure most weddings do lol) to get the dancing started but once he started pumping the music everyone hit the dance floor! Everything ran so smoothly and he even played songs from my custom list that I thought would be too hard to find. Just the best. My MC is also a wedding photographer and she said she has worked with Johnny before and as soon as she saw him she said “he’s the best” - so I knew we were in good hands.

Thank you again so much, your organization and attention to detail made the whole day run so smoothly. I will be recommending you guys to everyone!”
